GREATER BATON ROUGE

ANNUAL REPORT 2018

July 1, 2017 - June 30, 2018

BOARD CHAIR MESSAGE

As the board looks on this past year, our hearts are filled with gratitude. We are grateful to the staff who daily meet the needs of individuals and families throughout our 19 parishes with compassion and professionalism. We are grateful to all of our donors, who make it possible to do the work that we have done for over 98 years. We are grateful to our volunteers who joyfully gave over 13,300 hours of service to the 23,036 people that we serve. But most of all, we are grateful that God has given us the opportunity to serve the most vulnerable.

We wish you could see what we see daily. We wish you could look into the faces of those Volunteers of America Greater Baton Rouge has supported, and see the relief and gratitude, but mostly the determination to be successful. The faces on the cover of the 2018 annual report are volunteers, staff and people we have served this past year. These are the faces of individuals who we have received help. Help finding resources. Help finding a home. Help finding independence. Help finding safety. Help finding stability.

You have also been a help and joined with us on this mission. You are a part of the Volunteers of America family. You are changing lives for the better. Our successes, small and large, are your successes. We cannot do what we do without your continued support.

THANK YOU TO OUR 2017-2018 DONORS Recognizing donors who gave a financial gift of \$1000 or more July 1, 2017-June 30, 2018

PEOPLE SERVED IN OUR COMMUNITY THIS YEAR

Since 1896, Volunteers of America has supported and empowered America’s most vulnerable groups, including veterans, at-risk youth, the frail elderly, homeless individuals and families, people with disabilities, those living with a behavioral health disorder and those recovering from addictions. Our work touches the mind, body, heart—and ultimately the spirit—of those we serve, integrating our deep compassion with highly effective programs and services.
