

Project PlaySmart 2025 Application Guidance

Partnerships in Child Care (PICC) is a division of Volunteers of America South Central Louisiana (VOASCLA). PICC's programs have served early childhood educators and families since 1996. Project PlaySmart makeovers allow eligible childcare centers to apply to receive needed classroom resources.

Project PlaySmart applications are due by noon on Friday, February 21, 2025. A blind panel of early childhood experts will determine four winners: 2 grand prize winners who will receive \$15,000 makeovers and 2 runners-up who will each receive \$10,000 makeovers.

Please note that at least 50% of the grant should be spent on classroom furniture/fixtures.

Contact a Partnerships in Child Care team member for application questions or assistance.
